FUNDRAISING

Little Box of Hope

Safe Haven Women's Shelter Society has launched a new fundraising campaign called "The Little Box of Hope." The Little Box of Hope is a beautiful handcrafted box made by Del Bodnarek and decorated by a Safe Haven staff member. The box goes to a different local business each month in search of donations. Donations can be made to the box, with the idea also that each business that hosts the box also offers up some sort of promotional initiative for their product/service, with a portion going towards Safe Haven. The business can do whatever promotion they feel would best fit hosting the box. At the end of the month, we will pick it up and bring it to a new place.

For the month of January the 'Little Box of Hope' was located at **Rivers Electric - Thank-you for your support!**

In February the 'Little Box of Hope' will be located at **Garden Gate Floral**. A portion of rose sales will be donated to Safe Haven. Thank-You!

If your business would be interested in hosting the 'Little Box of Hope' please contact Michele at 403-223-0483.
